RESEARCH ASSOCIATE FOR THE PROJECT “CLIMATE, CLIMATIC CHANGE AND SOCIETY” § 28 SUBSECTION 3
HMBHG

Institution: Cluster of Excellence „Climate, Climatic Change, and Society (CiCCS)“ (climate research), Faculty of Mathematics, Informatics and Natural Sciences, Institute for Oceanography
Salary level: EGR. 13 TV-L
Start date: 01.04.2022, fixed 31.03.2023 (This is a fixed-term contract in accordance with Section 2 of the academic fixed-term labor contract act [Wissenschaftszeitvertragsgesetz, WissZeitVG]).
Application deadline: 2022-02-17
Scope of work: full-time position suitable for part-time

Responsibilities

Duties include academic services in the project named above. Research associates may also pursue independent research and further academic qualifications.

Specific Duties

The persons holding these post will play a crucial role in contributing to the CLICCS B2 research on the meaning of climate justice in the Mediterranean region with a special focus on North Africa and West Asia (WANA). In collaboration with the CLICCS B2 team, the postholders will review and assess relevant results and literatures in the fields of International Relations (IR), climate governance and climate politics in the region stated above, conduct empirical work, and support the research process of the project. It is foreseen that some specific results will be published in peer-reviewed journals.

Requirements

A university degree in a relevant field plus doctorate.

The position requires self-motivated, collaborative thinkers who seek and create opportunities and who are able to plan, organize, and execute multi-task problems to meet deadlines. A doctorate is required, as is the demonstrated ability to publish research findings through the relevant outlets in the chosen field. Good written and oral communication skills in English and Arabic are essential. Experience in working with qualitative social science methods. Specifically, working experiences in one of the following topics would be advantageous: global climate governance, climate justice in the Mediterranean/West Asia and North Africa, climate and environmental activism in the Mediterranean/West Asia and North Africa.
We offer

- Reliable remuneration based on wage agreements
- Continuing education opportunities
- University pensions
- Attractive location
- Flexible working hours
- Work-life balance opportunities
- Reduced rates available for a HVV-Proficard (transit pass) and much more
- Health management
- Educational leave
- 30 days of vacation per annum

As a University of Excellence, Universität Hamburg is one of the strongest research universities in Germany. As a flagship university in the greater Hamburg region, it nurtures innovative, cooperative contacts to partners within and outside academia. It also provides and promotes sustainable education, knowledge, and knowledge exchange locally, nationally, and internationally.

Severely disabled and disabled applicants with the same status will receive preference over equally qualified non-disabled applicants.
